Fletcher Cove Park grand opening

Fletcher Cove Park is now a versatile seaside playground. It is a beautiful addition to the City of Solana Beach, with amenities such as a sunset viewing pedestal, a tot-lot, meandering artistic bench walls, an amphitheatre and a half-court basketball court.

The Mayor and City Council cordially invite you to celebrate the completion of Fletcher Cove Park.

Betsy Schultz will offer a free Children's Art Workshop. Enjoy a live performance by The Theatre School @ North Coast Repertory Theatre, a fun hoop shoot basketball contest for children ages 7-12, light refreshments for everyone including popcorn & lemonade, and the cool sounds of a live steel drum musician.

10:30 - Children's Art Workshop

11:00 - Hoop Shoot Contest

11:30 - Dedication Ceremony
