MEMORIAL DAY CEREMONY 2017

The City of Solana Beach & Veterans of Foreign Wars Post 5431 host the 2017 Memorial Day Ceremony.

On Monday, May 29, 2017, join us for a Memorial Day Ceremony at the Veterans Honor Courtyard at La Colonia Park, located at 715 Valley Ave in Solana Beach. The ceremony will take place from 11:00 until noon. Some highlights of the ceremony will include: Camp Pendleton Young Marines Color Guard, Santa Fe Christian School Band, "Feathers from Heaven" doves, City Dignitaries and a special guest speaker who will address the community.

Light refreshments will be served.
For more information: 858-720-2453.
Regular Meetings of the Solana Beach City Council are held at 6:00 p.m. on the second and fourth Wednesday of each month at City Hall, 635 S. Highway 101. Agendas are posted at City Hall and online at www.cityofsolanabeach.org. Meetings are broadcast live on Cox (Channel 19), Time Warner (Channel 24), and AT&T U-verse (Channel 99) and are webcast and archived online, for future reference.

For more information, please contact the City Clerk’s Office at (858) 720-2400.

JANUARY

- Accepted the filing of the Comprehensive Annual Financial Report (CAFR) for Fiscal Year 2015-2016.
- Adopted Ordinance 472 modifying the Storm Water Management section of the Municipal Code to comply with the San Diego Regional Water Quality Control Board Order 2013-0001.
- Approved re-establishing the Fire Department Governance and Organizational Evaluation Council Standing Committee and appointed Councilmembers Edson and Hegenauer.
- Annual Citizen Commission Appointments:
  - Budget and Finance – Kevin Murphy, Jeff Lyle, Gordon Johns.
  - Climate Action – Peter Zahn, Kristi Becker, Heidi Dewar, Chester Koblinsky
  - Parks and Recreation – Peter McConville, Rachael Friedman, Dave Roberts, Ashley Sammis
  - Public Arts – Cindy Neptune, Steve Ostrow, Deborah Ann Sweet
  - View Assessment – Jack Hegenauer, Dean Pasko, Kelly Harless

FEBRUARY

- Approved an agreement with Salient Networks for Maintenance and Upgrading of the City’s Communication Systems, in an amount of $36,400.
- Approved ratifying emergency storm drain repairs located in a drainage easement between Nardito Lane and Nardo Avenue for $52,741

MARCH

- Approved the 2016 Housing Element Annual Progress Report for submission to the Department of Housing and Community Development and the Governor’s Office of Planning and Research.
- Approved an amendment to the SANDAG 2016 Regional Transportation Improvement Program (RTIP) of projects for Fiscal Years 2017 through 2021 to increase programmed funding for the Pavement Resurfacing Project (SB16).
- Authorized entering into a Memorandum of Understanding with the North County Transit Center regarding potential Public Financing of the Solana Beach Transit Center.
- Awarded an agreement to Van Dyke Landscape Architects for design and construction support of the Skatepark at La Colonia Park, in an amount of $91,000.
- Adopted Ordinance 473 amending the Municipal Code to allow speed limits to be declared by City Council resolution and repealing sections related to individual street segment speed limit changes. Adopted Resolution 2017-020 declaring speed limits.
ATTENTION PUBLIC ARTISTS...

The City of Solana Beach Public Art Commission (PAC) is seeking artists who wish to display their sculptures all around our beautiful City as a part of our Temporary Public Arts Program. The Temp Art Program has numerous, highly visible, designated sites throughout the City for sculptures of various sizes and mediums. An Artist will loan their sculpture to the City for a minimum display period of one year.

To register your sculpture or to receive more information contact:
Kayla Moshki, PAC Liaison

635 South Highway 101
Solana Beach, CA, 92075
(858) 720-2438
kmoshki@cosb.org
A small interior renovation at La Colonia Community Center is now underway. By eliminating storage space, the current Conference Room is being expanded into a larger Computer Lab, suitable for 30 students. The renovation is being funded by a grant through Mira Costa College, and pro-bono services provided by McCarthy Construction and Studio E Architects. Several community groups provided their input and support for this project, including La Colonia De Eden Gardens Foundation and the Boys & Girls Club of San Dieguito. This small renovation will make the facility more useful, and fits within the overall scope of the La Colonia Park Master Plan.

The City of Solana Beach Invites you to

The Children’s Spring Festival & Egg Hunt

Saturday, April 15, 2017
at La Colonia Park - 715 Valley Ave - Solana Beach

Limited to Children 3rd Grade & Under

10:30 ~ Egg Hunt - Plastic Eggs Filled with Treats
Bring a Bag or Basket to Collect Your Eggs

10:45 am - Noon ~ Games & Refreshments

For more information contact the City of Solana Beach
Parks & Recreation Department at 858-720-2453
On Saturday, April 29, from 10 a.m. to 2 p.m. the San Diego County Sheriff and the Drug Enforcement Administration (DEA) will give the public its 13th opportunity in 7 years to prevent pill abuse and theft by ridding their homes of potentially dangerous expired, unused, and unwanted prescription drugs. Bring your pills for disposal to the San Diego County Sheriff’s Encinitas Station at 175 North El Camino Real, Encinitas, CA 92024. (The DEA cannot accept liquids or needles or sharps, only pills or patches.) The service is free and anonymous, no questions asked.

PLANNING DIVISION HIGHLIGHTS

COMMUNITY DEVELOPMENT DEPARTMENT

The State of California and local jurisdictions establish criteria for public review of many types of projects. The following is an abbreviated list of the programs, projects and proposals under consideration by the City of Solana Beach. For more information, contact the City staff member assigned to the project at the number listed.

LOCAL COASTAL PROGRAM

What is the LCP?
The Local Coastal Program (LCP) is a coastal management plan mandated by the California Coastal Act of 1976. A LCP contains land use, development, public access, and resource protection policies and regulations that implement the Coastal Act at the local level. It is comprised of a Land Use Plan (LUP) and a Local Implementation Plan (LIP or IP). The City has its LUP and now working on its IP. The City's approved LUP can be viewed online on the City's website and in person at the Community Development Department at the City of Solana Beach City Hall. Every local government in the coastal zone (61 cities and 15 counties) is required to prepare a LCP and submit it to the California Coastal Commission for review and approval. The City is one of eight coastal cities without a certified LCP and the entire City of Solana Beach is located within the coastal zone.

Why Certify?
Currently, residents and business owners with projects requiring a discretionary permit have to apply to and have their permits approved by the City and then apply to the Coastal Commission for approval by the Coastal Commission as well. Certification of the City’s LCP will allow the City to issue these permits, in most instances. Certification of the LCP means:

- Solana Beach Control
- Greater Accessibility to Staff
- Faster Processing Time
- Lower Permit Costs

After certification, the majority of permit applications would be processed by the City, instead of the California Coastal Commission (CCC). In addition to the convenience of filing at Solana Beach City Hall, permit applications would be handled by your open and responsive Community Development Department staff. Your Community Development staff also have a strong record of processing applications within established timeframes, which means your application can be processed in weeks, not months. All this will translate into less time and lower application costs.

How Will LCP Certification Affect What I Can Do on My Property?
Most of the LCP content is taken from the City’s Zoning Code. Therefore, land use, setbacks, height limits, floor area limits, off-street parking, and other development regulations will remain largely unchanged. For properties located along the bluffs, the development standards would be tied to the policies contained within the Certified LUP.

If you do have a project that requires a permit, the LCP would provide a set of procedures for obtaining a Coastal Development Permit (CDP) from the City. Like the CCC, the City would ensure that the CDP is issued in conformance with the policies of the Coastal Act. Therefore, issues of land use, public access, and protection of resources will have to be addressed as appropriate for Solana Beach. (Bill Chopyk 720-2449)

DRAFT PUBLIC RECREATION IMPACT FEE STUDY

The City Council approved the updated Draft Public Recreation Impact Fee Study and LUP Amendment with the adoption of Resolution 2016-039 on April 13, 2016. The Draft Fee Study and LUP Amendment was submitted to the California Coastal Commission on April 29, 2016. The Draft Fee Study and LUP Amendment are posted on the City website.

In conjunction with the on-going Local Coastal Plan (LCP) certification process with the California Coastal Commission (CCC), the City agreed to partner with the CCC to update the 2010 Public Recreation/Land Lease Impact Mitigation Fee Study. The purpose of the land lease/recreation mitigation fee is to compensate the public for the loss of recreational use of the beach due
to the installation of shoreline protective devices such as seawalls. In May 2014, Council approved an agreement with the California Coastal Commission (CCC) to accept $120,000 in grant funding to be used primarily to support the preparation of an update to the 2010 fee study. The first public meeting for the fee study update was held at City Hall in September 2014.

The Fee Study update was needed to incorporate and reflect certified Land Use Plan (LUP) policies and to review comments on the 2010 fee study. In addition, CCC staff requested that the City's fee study update ensure adequate representation of surfers as users of the public beach, and incorporate recent, relevant coastal bluff erosion studies and sea level rise projections into fee study update.

The final draft of the Fee Study will be included in a LUP Amendment that was submitted to the CCC on April 29, 2016 pursuant to the terms of the LCP Planning Grant. It is anticipated that the CCC will hold a hearing on the LUP Amendment at its May 2017 meeting in San Diego. (Bill Chopyk 720-2449)

Beach Sands Replenishment and Retention Projects

50-Year USACE Coastal Storm Damage Reduction Project - The Solana Beach-Encinitas shore protection project has received congressional “authorization” in the Water Resources Development Act. This gives the project the final federal approval to be eligible to receive federal funds for construction of the project. First, however, federal funding for Pre-Construction Engineering and Design (PED) – the work that provides all the details that the U.S. Army Corps of Engineers (USACE) and its contractors will need to “construct” (or place sand) along the coastline. PED is an essential element that differentiates this project from a beneficial use/opportunistic use of sand. It provides an engineered profile with details about the quantities of sand to be placed within that profile (mostly, but not entirely, underwater) and the exact locations and quantities from each area of the underwater sites that will be used to obtain (or “borrow”) the sand. The Solana Beach project consists of 150 feet of sand placed on the beach and the Encinitas project consists of a 50-foot-wide beach.

The Cities of Solana Beach and Encinitas have been working for more than 16 years as the local sponsors of a long-term coastal storm damage reduction/shoreline protection project with the state and federal government. The state entity directly involved in financially supporting the project is the California State Parks, Division of Boating and Waterways (DBW). The beach replenishment project has been designed to be resilient to various future sea level rise scenarios over its 50-year life based on National Research Council (NRC) data recommended for use by the California Coastal Commission (CCC).

The Project is also consistent with the 2014 adopted CCC Sea Level Rise Policy Guidance document which recognizes beach nourishment as a preferred sea level rise adaptation strategy for developed coastlines. The Project received a unanimous vote of support from the CCC following a public hearing in November 2013. With Project implementation, the beaches would be re-nourished on a regular cycle during a Federal and State investment and participation period of 50 years. (Leslea Meyerhoff 720-2446)

SCOPU - In January 2014, the City completed the process to extend its Sand Compatibility and Opportunistic Use Program (SCOPU) for another five years (2019) with new permit approvals received from the California State Lands Commission, CCC, USACE, and Regional Water Quality Control Board. The City’s SCOPU program is a key element of the City’s long term shoreline management program and is a key sea level rise adaptation strategy. The SCOPU program allows placement of beach compatible sands on the City’s beaches up to 150,000 cubic yards per year. City Staff are currently tracking several local projects that may generate beach quality export material.

The lead time to develop a SCOPU project is approximately 6 months and early coordination with City Staff is important to facilitate final reviews and approvals by the agencies of the sampling and analysis plan (SAP) as well as placement details, monitoring requirements and other logistics.

If you know of a project which will have beach quality export material from a project site, please call Corey Andrews at 720-2447.

Annual Shoreline Monitoring Program - The City of Solana Beach, in conjunction with SANDAG and the other participating cities continue to monitor the performance of the beach sand project and the overall health of the public beach through local and regional beach profile data collection and monitoring efforts conducted in the spring and fall each year. The City has an agreement with Coastal Frontiers for ongoing shoreline monitoring services.

For additional information, contact the Community Development Director, Bill Chopyk at 720-2449.
Reading is an important part of a child’s life. It teaches them everything from their A-B-C’s to incredible stories filled with fun and wonder.

The North Coastal Sheriff’s Station invites children of all ages to attend a special "Reading Time" event:

**Monday, April 24**
Reading begins at 10:00 a.m.
Solana Beach Library
157 Stevens Avenue

A Sheriff’s Deputy will read to children and teach them the importance of reading. There will also be a Q&A with the deputy after story time.

Bring the entire family and join the Sheriff’s Department for an hour of fun and learning!

For more information, please call Jonathan Simon (760) 966-3588

---

**EL DÍA DE LOS NIÑOS / EL DÍA DE LOS LIBROS**
(Children’s Day / Book Day) | Gaston’s Puppet Show | Wednesday, April 26, 6:00 pm

Día is a celebration of children, families, and reading. The celebration emphasizes the importance of literacy for children of all linguistic and cultural backgrounds. Yes, the amazing Gaston Puppets will be at the library to celebrate the day with us! There will be refreshments and a book for each child!

---

**READING TIME WITH THE NORTH COASTAL SHERIFF’S STATION**

The North Coastal Sheriff’s Station invites children of all ages to attend a special "Reading Time" event:

**Monday, April 24**
Reading begins at 10:00 a.m.
Solana Beach Library
157 Stevens Avenue

A Sheriff’s Deputy will read to children and teach them the importance of reading. There will also be a Q&A with the deputy after story time.

Bring the entire family and join the Sheriff’s Department for an hour of fun and learning!

The Board of Directors of the Friends of the Solana Beach Library has selected a Scholarship Committee to carry out the directive to award two (2) $1,000 educational scholarships to graduating high-school seniors or continuing/returning students who live or attend school within the City limits of Solana Beach. Each scholarship is a one-time award to be used for continuing education at a community college, a four-year college or university, a graduate/professional school, or a technical/vocational/career school in the United States.

In addition to living or attending school within the City of Solana Beach, each recipient must have a San Diego County Library card, have a minimum cumulative grade point average (GPA) of 2.5 for the three most recent years for which a GPA is available. Consideration will be given to financial need, community activities, extracurricular activities, awards, and recognitions.

The application for the 2017 Friends of the Solana Beach Library can be downloaded as a PDF from the Friends website (www.friendsofsolanabeachlibrary.org). Also, printed applications are available at the Solana Beach Library and will be provided by any librarian.

Students must complete and submit the application form by April 30, 2017, along with an essay, a completed permission form, and two (2) letters of recommendation; one letter should be from a teacher and the other from an adult who is not related to the student and can provide information about the student to the Scholarship Committee.

There is no filing fee with this scholarship application and eligible students are encouraged to apply. The scholarship money can be used to pay for tuition, books, fees, room and board, or other related educational expenses. More specific information is included with the scholarship packet.

Applicants can be:

- Graduating high school seniors
- Career/technical/vocational school students
- Community college students
- Undergraduate college or university students
- Graduate or medical or other professional students
- Adult re-entry students

To qualify for the Friends of the Solana Beach Library Scholarship, an applicant must meet these criteria:

- Live or attend school in the city of Solana Beach
- Have a library card for the San Diego County Library system (you can get one at the Solana Beach Library)
- Plan to attend a community college, a four-year college or university, a career/vocational/technical program, or a graduate/professional school program within the United States
- Have a cumulative GPA of 2.5 or higher
- Need financial assistance to help with school expenses
- Submit a completed application, short essay, permission form, and two letters of recommendation by April 30, 2017

Members of the Board of Directors of the Friends of the Solana Beach Library and their immediate family members are excluded from consideration.

FRIENDS 2017 SCHOLARSHIP APPLICATION

TRAVELS WITH MY AUNT
APRIL 12 – MAY 7

by Graham Greene
Adapted by Giles Havergal
Directed by David Ellenstein
A New York Times Critic’s Pick in 2015, TRAVELS WITH MY AUNT is an engaging, always entertaining journey. Eccentric Aunt Augusta swoops in and shakes up the life of her staid bourgeois nephew. She ignites the lust for adventure that is buried within his gray flannel soul. Four highly versatile actors tackle more than 20 roles in this life-changing, offbeat odyssey. This is definitely a trip worth taking!

THE SPITFIRE GRILL, A MUSICAL
MAY 31 – JUNE 25

Book & Music by James Valcq
Lyrics & Book by Fred Alley
Based on a Film by Lee David Zlotoff
Directed by Jeffrey Moss
Honest and emotional, this heartfelt musical tells the engaging tale of a young woman with an uncertain past. A compelling heartwarming tale of redemption and fortitude. Filled with inspirational melodies, and an emotionally soaring score, this all-American musical serves up an abundance of warmth, spirit and goodwill. Open your heart and visit THE SPITFIRE GRILL.

For ticket information, call the box office at 481-1055. You can order tickets by visiting northcoastrep.org.

AUDITIONS AND PERFORMANCES WITH THE THEATRE SCHOOL
CALLING ALL STUDENTS AGES 12-24!

Auditions for PETER AND THE STARCATCHER: April 4 & 5 | Auditions for A MIDSUMMER NIGHT’S DREAM: May 23 & 24

Email Ben@northcoastrep.org for an audition appointment. Audition requirements and show information is on our website: northcoastreptheatreschool.org

PETER AND THE STARCATCHER
Based on the 2006 novel by Dave Barry and Ridley Pearson, this Tony-Award-Winning show tells the story of how one small orphan boy becomes the legendary Peter Pan. Through extraordinary characters and thrilling adventures, Peter and the Starcatcher explores themes of greed, despair and ultimately the bonds of friendship, duty and love. This is imagination theatre at its finest! Performances will be at North Coast Repertory Theatre: May 17-21, 2017

A MIDSUMMER NIGHT’S DREAM by William Shakespeare
There’s mischief in the woods! Magical fairies with love juice complicate two teen couples’ relationships. A group of silly actors are interrupted when one of them is transformed into a half-man/half-donkey creature that the queen of the fairies falls in love with. Join in the fun as they all try to sort out this comic mess! Performances will be FREE outdoors at La Colonia Park in Solana Beach: August 2-6, 2017

Also, sign up now for our spring classes and summer camps! Call our box office to register: 858-481-1055
On March 24, 2017, the City Council approved a professional Service Agreement with Van Dyke Landscape Architects (VDLA) for preparation of the final design plans and specifications for La Colonia Skatepark project. VDLA has teamed up with Site Design Group (SDG), a reputable skatepark design firm that has designed several skateparks nationwide.

The design of the Skatepark would include landscaping, site furnishing, grading, electrical and other ancillary elements of the park. The City Council directed Staff to work on this project on a priority basis. Staff, in collaboration with VDLA/SDG, is in the process of preparing for a couple of workshops where input from the community will be solicited and incorporated into the design of the skatepark. The first community workshop is tentatively scheduled for Saturday April 29th at 9:00 am at La Colonial Community Center.

For more information about the project, please contact the Engineering Department at (858) 720-2470.

BIKE TO WORK 2017
Thursday, May 18
511sd.com/iCommute

The fun isn’t just on Bike to Work Day . . .

• April 30, Cielo Vista
  The City of Chula Vista hosts its first public open streets
event on Third Avenue. Join the fun and GO by BIKE with
family and friends along a mile-long route closed to traffic.

• May 4, Cyclo de Mayo
  The San Diego County Bicycle Coalition kicks off Bike
Month with a Downtown fiesta, including a group bike
ride to Barrio Logan and kids bike activities.

• May 11, Bike to Work Day Kick-Off
  Join iCommute for a luncheon Bike to Work Day
kick-off celebration including a brief press conference,
mobile bike maintenance safety checks, and freebies
from pit stop hosts.

GO by BIKE Mini-Grant Events
In support of Bike Month, iCommute funded mini-grants
for events that educate, promote, and encourage biking
as an everyday transportation choice. Twelve grant
recipients will host events throughout the San Diego
region from April – June, 2017, and all are open to the
public! For a list of the mini-grant events, visit
511sd.com/iCommute.

Register for Bike to Work Day at 511sd.com/iCommute

Solana Beach
Shorelines
2017 Kids Summer Day Camp for Ages 5-11

Register Online: www.cityofsolanabeach.org beginning 4/19/17 8AM

The fee is $120/week ($140 non-residents) per child and includes activities such as beach games, swimming, arts & crafts, Library visit, games, friends, and a Wednesday field trip to an exciting destination.

After-care is offered from 2:00pm - 5:00pm ($35/week).

Our popular “Leader in Training” program is also available this summer for 12 - 16 year olds for only $30/week.

NEW REFUND POLICY: There will be a $25 cancellation penalty (per session) retained as an administration processing fee for anyone who cancels after May 1st.

4 Water Wonderland
July 31-Aug 4

Welcome to the wettest week of summer! Wear your swimsuits and be prepared to get soaked! Water Bucket Brigade, rubber duck races, slip 'n' slide & water balloons galore are just a taste of what to expect in this wildy wet, water-filled week! Our trip this week is THE WAVE WATERPARK in Vista.

1 Reptiles & Amphibians
July 10-14

What is the difference between a reptile and an amphibian? Why do snakes always stick out their tongues? What is the biggest lizard in the world? Kids this age are full of questions - we will do our best to answer as many as we can about reptiles and amphibians this week. SAN DIEGO ZOO field trip.

2 Ocean Discovery
July 17-21

Come test your knowledge of the big body of water that we are fortunate enough to live by. Explore the ocean through beach activities, crafts, and a day of water fun at THE WAVE WATERPARK. Learn about dolphins, sharks, whales, starfish and sea cucumbers. Tour the Solana Beach Lifeguard Station and learn to have fun safely at the beach.

3 Treasure Hunters
July 24-28

Avast, me hearties! Welcome to a week of pirate lore, treasure hunts and discovering history through the eyes of famous explorers. Our field trip this week will be to CABRILLO NATIONAL MONUMENT. Savvy? 'Ere!

5 Awesome Astronomy
Aug 7-11

Ever imagine seeing Earth from space or wanted to be an astronaut? This week campers will get a chance to explore the universe beyond our planet. Kids will learn about what it takes to be an astronaut and the world above our heads through games, crafts and even a field trip to the RUBEN H. FLEET SCIENCE CENTER in Balboa Park. Mad Science workshops will offer engaging, hands-on science projects.

6 Fun to Be Fit
Aug 14-18

Challenge your camper to a world of healthy living. Kids will get to learn how to incorporate healthy aspects into their lives in a fun way. Learning simple changes can make a world of difference in the way your child feels and lives. Campers will learn that a healthy lifestyle can be easy and fun just by eating right and staying active. This week's field trip will be to ROLLER SKATE WORLD.

7 Fun with Our Environment
Aug 21-26

There are many exciting ecological discoveries to be investigated here in Solana Beach. Find out how easy it is to appreciate the simple aspects of the world around you. Campers will discover ways in which they can help save the environment, and go on a field trip to the SAN DIEGO CHILDREN'S MUSEUM.

Scholarships are available for Solana Beach children with financial need. Contact the Parks & Recreation Department for more information 858-720-2453.
UPCOMING EVENTS

APRIL POOLS DAY – FREE!
Saturday, April 8th, 12-4pm
Located at Pardee Aquatics Center
A free water safety event for the community! Open to people of all ages. Participate in free swim lessons and open swim, while learning basic pool side rescue skills and hands on CPR instruction. Located at Boys & Girls Clubs of San Dieguito Pardee Aquatics Center: 533 Lomas Santa Fe Dr., Solana Beach, CA 92075. For more information please call (858) 755-4904.

UNCORKED FOR A CAUSE
Friday, April 21 at 7PM
Located at Encinitas, Griset Clubhouse 1/2 Acre Organic Farm & Garden
A modern, social, charitable blind wine tasting competition with a twist! Join us for this unique wine event located at Boys & Girls Clubs of San Dieguito's Center for a Healthy Lifestyle, which includes a half acre urban farm & garden on the beautiful Encinitas hillside.
Tickets at bgcsandieguito.org/events/uncorked/

COMMOTION ROCK CONCERT
Sunday, May 7, 11am-3pm
Located at the Music Box, Little Italy
Boys & Girls Clubs of San Dieguito Youth Arts Academy’s (YAA) 9th annual COMMOTION – Youth Rock Concert and fundraiser is a family and community friendly event featuring 13 of YAA’s student created bands as well as featuring our popular Monday Night Jazz Band and a few of our advance singer/song-writer students. To learn more or purchase tickets, please visit youthartssd.org/commotion.

CHARITY GOLF CLASSIC
Monday, May 15, 11:30am-6pm
Located at Encinitas Ranch Golf Course
Putting fore a purpose! Enjoy a great day of golfing with access to full practice facility, unlimited range balls, prizes, raffle, auction, and contests! All proceeds benefit Boys & Girls Clubs of San Dieguito’s Griset Clubhouse. To learn more or purchase tickets, please visit http://bgcsandieguito.org/event/charity-golf-classic-encinitas-griset-branch/2017-05-15/
Household Hazardous Waste is unused or leftover portions of products containing hazardous chemicals used around your household including your garden and vehicles for example. To reduce the amount of Household Hazardous Waste you generate, please buy only what you need and use it entirely. Choose less toxic alternatives and recyclables. Products labeled Caution, Warning, Danger, Poison, Toxic, Flammable, or Corrosive are considered hazardous.

The door-to-door or home HHW collection service is available to qualifying homebound or senior residents (age 65 and over) at no charge. All other Solana Beach residents are eligible for HHW home pickup for a copayment of $10. This service does not include pickup of regular trash, business waste, medical or biological waste, explosives, ammunition, and radioactive material.

To schedule an appointment for HHW collection, please call 858-481-7233.

In addition to the door-to-door collection service, there are two regional permanent collection centers which are open every Saturday (except holiday weekends) from 9AM to 3PM.

- The City of Vista collection center is located at 1145 East Taylor Street, at Laguna Lane.
- The City of Poway collection center is located in the South Poway Business Park, at 12325 Crosthwaite Circle, off Stowe Drive.

**COMMON HHW AND E-WASTE ITEMS**

- Aerosol cans, non-empty
- All Purpose Cleaners
- Antifreeze
- Auto Batteries
- Auto Fluids, Oil & Filters
- Batteries
- Cooking Oil, Residential
- Disinfectants
- Drain Opener
- **Electronic Devices**: TV, Monitor, VCR, Stereo, CPU, Wireless Phones, Microwave Ovens
- Fertilizers
- Fluorescent Tubes and Bulbs & Other Mercury-Containing Lamps
- Furniture Polish
- Gasoline (w/container)
- Latex (water based) Paint
- Lighter Fluid
- Oil-Based Paint
- Oven Cleaner
- Pesticides
- Pool Chemicals
- Propane Canisters
- **Sharps Waste**
- Solvents & Thinners
- Thermometers
- Thermostats
- Varnishes

**PROPER DISPOSAL**

It is dangerous and illegal to discard Household Hazardous Waste into the trash, a storm drain, or down the sewer drain. Instead, use up the product as intended or take the unused portion to a Household Hazardous Waste Collection Facility. Uncontaminated used oil, oil filters, antifreeze, and automotive batteries may also be taken to a local certified collection center.
Is there nature in your day? With wildflowers blooming and pollinators buzzing around, this is a great time to explore your nearly 1,000-acre neighboring wetland. Join San Elijo Lagoon Conservancy’s events and tours that embrace nature discovery, fitness and arts and culture. Many programs are complimentary and conservancy supporters receive membership benefits. Check out highlights of spring happenings, with more online at SanElijo.org/Events:

**APRIL**
- Explore the flittering and fanciful world of pollinators in the April 9 BEAUTIFUL BUTTERFLIES TOUR. On Earth Day, you are the detective on a search for nature’s clues in the April 22 EARTH DAY DETECTIVES TOUR.

**MAY**
- Drought-tolerant plants are unique, beautiful and suited for our climate. Create your own plant art in our May 7 SUCCULENT ARRANGEMENT WORKSHOP. Interactive themes exploring our changing climate are featured this spring in FAMILY FUN DAYS, always first Sundays monthly.

**JUNE**
- The fun continues in our June 24 BIOMIMICRY TOUR where we’ll be on the lookout for nature’s patterns and influence into our everyday. For anytime inspiration, take the Conservancy’s NatureChallenge. For 30 days, 30 minutes a day choose online tips designed to encourage us to breathe, to reach new heights and be a kid again. See you on the trails!

Conservancy-led Lagoon Discovery Tours are held 1st and last Saturdays for lagoon visitors. Wildlife Walks explore more reserve trails on 2nd Saturdays. Love soil? Join our Habitat Management team to enhance native habitats on Wednesday mornings and 3rd Saturday mornings.

_SanElijo.org/30Years_ Founded in 1987, San Elijo Lagoon Conservancy is the nonprofit land trust for San Elijo Lagoon Ecological Reserve. Its vision is a world where biodiversity is preserved and people act to conserve nature and embrace it as central to a healthy community. Its mission is to protect and restore the resources of San Elijo Lagoon Ecological Reserve, its watershed, and related ecosystems for the benefit of current and future generations.
Solana Beach Junior Lifeguards is one of San Diego County’s longest running and most established water safety programs. We are dedicated to providing a fun, safe, and healthy environment for our kids to enjoy the beach and ocean during their summer vacations. We have a lot of fun and participate in activities including beach games, field trips, competitions, surfing, body boarding, swimming, snorkeling, special guest visits, training with lifeguard equipment, Parents’ Day, team photos, banquets, and DVDs to capture all the fun.

Our programs are for kids 7 to 16 and are designed to develop and build self-esteem and physical fitness. We promote respect and appreciation of the ocean to foster a sense of stewardship for this precious natural resource, as well as teaching lifesaving and emergency skills that will help our Junior Guards become safe in the beach environment.

**SAFETY, FUN, EDUCATION**

**WEBSITE**

We have a webpage on the City’s site. It contains all the information about every aspect of the Junior Guard Program, Downloads of all paperwork having to do with the program, links to all the people and places we do business with, and a slideshow and video of the program. Check it out [JUNIOR GUARD WEBSITE](#).

**ONLINE ENROLLMENT IS OPEN**

If you were in the system last year, you can log on to your existing account to register. If you are new to the system you will first need to create an account for an adult and then you can link your kids to that account. You will be able to pay with a credit card online, but if you prefer to pay with check or cash you may still do so at City Hall. [ACTIVE NET ONLINE ENROLLMENT](#)

Don’t wait until the last minute to register if you need a specific session. Some sessions fill up very quickly, so register early if you need specific dates.

Discounts will be applied automatically when registering online. Financial Assistance available, contact us by phone or email.

*Military discounts are available to active duty military families, and will be credited to family account with submission of a copy of valid active duty military ID.

SWIM TEST
All participants in our Junior Lifeguard Program age 9-16 are required to pass a swim test, but GROM’s (age 7-8) have no swim test. Junior Guards only need to pass the swim test once, therefore returning Junior Guards do not need to retake the test. Please note that any child moving from GROM’s to Junior Guards will need to take a swim test. Our swim tests are Saturday, May 13th and Saturday, June 10th, 2017, from 2 - 4 PM, at the San Dieguito Boys & Girls Club, 533 Lomas Santa Fe Drive, Solana Beach 92075. The Boys & Girls club offers swim classes to help prepare kids for the Junior Guard swim test. If you’d like more information, click on this link: SWIM LESSONS FOR JUNIOR GUARD TEST

Please note that the Boys and Girls Club offers classes for 7&8 year olds, “Little Lifeguard Prep.” This is for other programs; we do not test our 7&8 year olds.

CONTACT US
For additional information please visit our website or contact us directly at (858) 720-4445 or by email at jrguard@cosb.org. We look forward to seeing everyone again this summer.
Spring is in the air! Springtime refers to the season and thoughts of renewal, rejuvenation and regrowth. The first day of spring is additionally termed the Vernal Equinox, with twelve hours of daylight and twelve hours of night. Severe weather frequently happens during the springtime as temperate air arises from the lower latitudes and collides with cold air pressing down from the Arctic zones. Spring is also related with the commencing of crop production season; some animals end their hibernation phases and birds habitually embark on relocations.

To most springtime involves longer days, sunshine, warm weather and days at the beach. Springtime for lifeguards means busy days with rescues and rip currents caused by inshore holes. That coupled with a sudden arrival of spring break visitors equates to dangerous conditions for beach goers and lifeguards.

Every winter the sand is scoured away because of the large winter surf that batters the beaches of the west coast, creating deep inshore holes. It is these inshore holes that create the dangerous rip currents, which are responsible for most rescues that lifeguards respond to. It is very important to check with the lifeguards on duty when visiting any beach, as the dangers can be very difficult to see. The conditions are constantly changing, from day to day and hour to hour, they are never the same. The lifeguards are always watching and they know where the hazards are hidden.

As we begin to dry out from this winter’s torrential rains the bluffs along the beach become unstable. They have been saturated from rain, high surf and high tides. The bluffs are bloated from all the water they absorbed during the long watery winter. As they begin to dehydrate, shrink and fracture they become even more unstable.

So, as you venture to the beach this spring, after a long wet winter hibernation. Be safe, be aware of your surroundings and check in with your local lifeguards. They are always happy to show you a safe place to enjoy the beach.

The City of Solana Beach is on Facebook and Twitter. Stay up to date with all the latest information, and tell your friends!
