HONOR COURTYARD

RECOGNIZED AS
“PROJECT OF THE YEAR”

The Honor Courtyard at La Colonia Park has been recognized by the San Diego Chapter of the American Public Works Association as “Project of the Year” for parks under $2 million.

Solana Beach and its team of Van Dyke Landscape Architects and Conan Construction were recognized for this honor at a dinner and reception during Public Works month in April.

BEACH BLANKET MOVIE NIGHT

FEATURING FINDING DORY

LIVE MUSIC BY TOWER 7

free admission

Saturday, August 26, 2017 5:00 – 10:00 pm

pack a picnic

grab a beach chair and a blanket

and come watch movies under the stars!

great silent auction items

firewire surfboard • terra wet suits • beach cruiser • and much more!

For more information, contact the Parks & Recreation Department at 858.720.2453.
Regular Meetings of the Solana Beach City Council are held at 6:00 p.m. on the second and fourth Wednesday of each month at City Hall, 635 S. Highway 101. Agendas are posted at City Hall and online at www.cityofsolanabeach.org. Meetings are broadcast live on Cox (Channel 19), Time Warner (Channel 24), and AT&T U-verse (Channel 99) and are webcast and archived online, for future reference. For more information, please contact the City Clerk’s Office at (858) 720-2400.

APRIL

- Awarded a Construction Contract for the Decomposed Granite Path Restoration on the Coastal Rail Trail Bid 2017-04 to Blue Pacific Contracting & Paving, in the amount of $78,300.
- Approved an increase to the fees for the Summer Day Camp Program.
- Adopted Ordinance 475 reauthorizing Public, Education and Government (PEG) fees to continue funding to support PEG programming facilities which include capital costs for video and telecommunications equipment for television broadcasting and recording of Council meetings.
- Awarded a Construction Contract for the La Colonia Community Center Painting Project Bid 2017-01 to Lunar Painting, in the amount of $15,775.
- Awarded a Construction Contract for the City Hall Shingle Roof Replacement Project Bid 2017-02 to C&I Roofing, in the amount of $8,399.
- Adopted Ordinance 476 establishing the Open Space/Preservation Zone.
- Approved a general plan amendment and rezone designation of a vacant property adjacent to San Elijo Lagoon from general commercial to open space/reserve.

MAY

- Authorized participation in the National Urban Search and Rescue Response System with the City of San Diego, as the sponsoring agency, of the U.S. Department of Homeland Security acting through the Federal Emergency Management Agency and the State of California which contributes to the task force manpower for multi-hazard discipline and multi-jurisdictional emergency response.
- Approved the annual Fire Benefit Fee for Fiscal Year 2017-18.
- Approved the Municipal Improvement Districts Benefit (MID) Fees for Fiscal Year 2017-18.
- Approved the Community Development Block Grant and Home Investment Partnerships Programs Three-Year Cooperative Agreement Extension covering Fiscal Years 2018-2020.
- Authorized Professional Services Agreements with The Energy Authority (TEA) and Calpine for the set-up and operation of the first phase of a Community Choice Aggregation (CCA) Program which includes community outreach, drafting an implementation plan, a technical study, and developing an operations, budget and staffing plan.
- Authorized the execution of the Series 2017 Loan Agreement providing for the repayment of funds borrowed from the San Elijo Joint Powers Authority (SEJPA) for the Water Reclamation Facility.

CITY HALL GALLERY

Solana Beach City Hall, located at 635 South Highway 101, is the seat of another artistic gem, the City Hall Gallery. This intimate gallery is host to a new artist’s exhibition each month. The shows have included everything from watercolors and photographs to recycled metal sculpture, children’s art, and painted surfboards. The City Hall Gallery is open to the public during regular business hours, as well as during special events and receptions to view the art and meet the artists.

Check out the full 2017 Gallery Schedule. Registration for 2018 is now open and it is filling up fast!

“Trash Formation 4”

Group Exhibit
August 16 – September 30

For more information about City Hall Galleries or to schedule your own gallery, contact Kayla Moshki at 858-720-2438.

SOLANA BEACH NATIONALLY RECOGNIZED AS PET FRIENDLY CITY

Solana Beach ranked 9th in the top 500 cities in the nation in the Millennial Personal Finance’s (MPF) Most Pet Friendly Cities report. In California, only the City of Carmel, at number 5, ranked higher.

The rankings for this report were compiled by using licensed data from Onboard Informatics and MPF’s unique scoring system. Over 5,000 towns and cities with a population above 10,000 in the United States were evaluated for their pet friendliness. For each town and city, the amount of pet services and pet essentials were summed together and weighted against the city’s population. The resulting number was the Pet Friendliness Indicator; a higher score meant a better ranking and vice versa. The report can be found at www.millennialpersonalfinance.com/pet-friendly-cities.
COMMUNITY DEVELOPMENT DEPARTMENT

PLANNING DIVISION

HIGHLIGHTS

The State of California and local jurisdictions establish criteria for public review of many types of projects. The following is an abbreviated list of the programs, projects and proposals under consideration by the City of Solana Beach. For more information, contact the City staff member assigned to the project at the number listed.

LOCAL COASTAL PROGRAM

What is the LCP?
The Local Coastal Program (LCP) is a coastal management plan mandated by the California Coastal Act of 1976. A LCP contains land use, development, public access, and resource protection policies and regulations that implement the Coastal Act at the local level. It is comprised of a Land Use Plan (LUP) and a Local Implementation Plan (LIP or IP). The City has its LUP and now working on its IP. The City’s approved LUP can be viewed online on the City’s website, and in person at the Community Development Department at the City of Solana Beach City Hall. Every local government in the coastal zone (61 cities and 15 counties) is required to prepare a LCP and submit it to the California Coastal Commission for review and approval. The City is one of eight coastal cities without a certified LCP and the entire City of Solana Beach is located within the coastal zone.

Why Certify?
Currently, residents and business owners with projects requiring a discretionary permit have to apply to and have their permits approved by the City and then apply to the Coastal Commission for approval by the Coastal Commission as well. Certification of the City’s LCP will allow the City to issue these permits, in most instances. Certification of the LCP means:

Solana Beach Control  Greater Accessibility to Staff  Faster Processing Time  Lower Permit Costs

After certification, the majority of permit applications would be processed by the City, instead of the California Coastal Commission (CCC). In addition to the convenience of filing at Solana Beach City Hall, permit applications would be handled by your open and responsive Community Development Department staff. Your Community Development staff also have a strong record of processing applications within established timeframes, which means your application can be processed in weeks, not months. All this will translate into less time and lower application costs.

How Will LCP Certification Affect What I Can Do on My Property?
Most of the LCP content is taken from the City’s Zoning Code. Therefore, land use, setbacks, height limits, floor area limits, off-street parking, and other development regulations will remain largely unchanged. For properties located along the bluffs, the development standards would be tied to the policies contained within the Certified LUP.

If you do have a project that requires a permit, the LCP would provide a set of procedures for obtaining a Coastal Development Permit (CDP) from the City. Like the CCC, the City would ensure that the CDP is issued in conformance with the policies of the Coastal Act. Therefore, issues of land use, public access, and protection of resources will have to be addressed as appropriate for Solana Beach. (Bill Chopyk 720-2449)
The City Council approved the updated Draft Public Recreation Impact Fee Study and LUP Amendment with the adoption of Resolution 2016-039 on April 13, 2016. The Draft Fee Study and LUP Amendment was submitted to the California Coastal Commission on April 29, 2016. The Draft Fee Study and LUP Amendment are posted on the City website.

In conjunction with the on-going Local Coastal Plan (LCP) certification process with the California Coastal Commission (CCC), the City agreed to partner with the CCC to update the 2010 Public Recreation/Land Lease Impact Mitigation Fee Study. The purpose of the land lease/recreation mitigation fee is to compensate the public for the loss of recreational use of the beach due to the installation of shoreline protective devices such as seawalls. In May 2014, Council approved an agreement with the California Coastal Commission (CCC) to accept $120,000 in grant funding to be used primarily to support the preparation of an update to the 2010 fee study. The first public meeting for the fee study update was held at City Hall in September 2014.

The Fee Study update was needed to incorporate and reflect certified Land Use Plan (LUP) policies and to review comments on the 2010 fee study. In addition, CCC staff requested that the City’s fee study update ensure adequate representation of surfers as users of the public beach, and incorporate recent, relevant coastal bluff erosion studies and sea level rise projections into fee study update.

The CCC held a public hearing on the LUP Amendment at its May 2017 meeting in San Diego. The CCC approved the Fee Study with 16 modifications as recommended by the CCC staff. (Bill Chopyk 720-2449)

BEACH SAND REPLENISHMENT AND RETENTION PROJECTS

50-Year USACE Coastal Storm Damage Reduction Project - The Solana Beach-Encinitas shore protection project has received congressional “authorization” in the Water Resources Development Act. This gives the project the final federal approval to be eligible to receive federal funds for construction of the project. First, however, federal funding for Pre-Construction Engineering and Design (PED) – the work that provides all the details that the U.S. Army Corps of Engineers (USACE) and its contractors will need to “construct” (or place sand) along the coastline. PED is an essential element that differentiates this project from a beneficial use/opportunistic use of sand. It provides an engineered profile with details about the quantities of sand to be placed within that profile (mostly, but not entirely, underwater) and the exact locations and quantities from each area of the underwater sites that will be used to obtain (or “borrow”) the sand. The Solana Beach project consists of 150 feet of sand placed on the beach and the Encinitas project consists of a 50-foot-wide beach.

The Cities of Solana Beach and Encinitas have been working for more than 16 years as the local sponsors of a long-term coastal storm damage reduction/shoreline protection project with the state and federal government. The state entity directly involved in financially supporting the project is the California State Parks, Division of Boating and Waterways (DBW). The beach replenishment project has been designed to be resilient to various future sea level rise scenarios over its 50-year life based on National Research Council (NRC) data recommended for use by the California Coastal Commission (CCC).

The Project is also consistent with the 2014 adopted CCC Sea Level Rise Policy Guidance document which recognizes beach nourishment as a preferred sea level rise adaptation strategy for developed coastlines. The Project received a unanimous vote of support from the CCC following a public hearing in November 2013. With Project implementation, the beaches would be re-nourished on a regular cycle during a Federal and State investment and participation period of 50 years. (Leslea Meyerhoff 720-2446)

SCoup - In January 2014, the City completed the process to extend its Sand Compatibility and Opportunistic Use Program (SCoup) for another five years (2019) with new permit approvals received from the California State Lands Commission, CCC, USACE, and Regional Water Quality Control Board. The City’s SCoup program is a key element of the City’s long-term shoreline management program and is a key sea level rise adaptation strategy. The SCoup program allows placement of beach compatible sands on the City’s beaches up to 150,000 cubic yards per year. City Staff are currently tracking several local projects that may generate beach quality export material.

The lead time to develop a SCoup project is approximately 6 months and early coordination with City Staff is important to facilitate final reviews and approvals by the agencies of the sampling and analysis plan (SAP) as well as placement details, monitoring requirements and other logistics.

If you know of a project which will have beach quality export material from a project site, please call Corey Andrews at 720-2447.

Annual Shoreline Monitoring Program - The City of Solana Beach, in conjunction with SANDAG and the other participating cities continue to monitor the performance of the beach sand project and the overall health of the public beach through local and regional beach profile data collection and monitoring efforts conducted in the Summer and Fall each year. The City has an agreement with Coastal Frontiers for ongoing shoreline monitoring services.

For additional information, contact the Community Development Director, Bill Chopyk at 720-2449.
The Solana Beach Library is a shared use library, serving the community of Solana Beach, as well as the staff and students of Earl Warren Middle School. We are a community center for the city providing fun and informative programs for the whole family… from babies to seniors!

**LIBRARY VOLUNTEER LUNCH**

The Board of Directors of Friends of the Solana Beach Library hosted a luncheon at La Colonia Community Center on June 5. The purpose of the event was to express appreciation to Solana Beach City officials, San Diego County Library staff, San Dieguito School District officials and the volunteers and docents who support our local library.

More than 40 people gathered together to socialize and discuss the current renovations of the Library and the expansion of the Friends Bookstore. The special guests included:

David Rolland, Communications Director from Office of Senator Toni Atkins, Corrine Busta, Community Representative, from Supervisor Kristin Gaspar, Greg Wade, Solana Beach City Manager, Ginger Marshall, Deputy Mayor of Solana Beach, Jewel Edson, Council Member, Judy Hegenauer, Council Member, Migell Acosta, San Diego County Library Director, Jacqueline Ayala, San Diego County Library Supervisor, Dave Roberts, former San Diego County Supervisor, and Wally Oliver, Backstage Library Volunteer.

Thirty-two docents and volunteers from Friends of the Solana Beach Library were also present for the celebration.

Ten outstanding students applied for 2 scholarships being offered by Friends of the Solana Beach Library; two applicants did not qualify because they did not live or attend school in Solana Beach.

The two most exceptional students selected for scholarships of $1,000 each are: Joselin Aragon, from Torrey Pines High School, will study Child and Adolescent Development at California State University San Marcos and Caleb Armendariz, from Santa Fe Christian, will attend California Polytechnic State University and major in Biological Sciences with the goal of becoming a trauma surgeon.

Because all the applicants were outstanding, the Friends Board of Directors increased the scholarship fund this year in order to award $250 to each of the other students. They include Lou Blanchard, Devin Burke, Luis Canales-Sanchez, Manuel Lara, Evan Pasko, and Nicholas Post.
NORTH COAST REPERTORY THEATRE

SAN DIEGO PREMIERE
AT THIS EVENING’S PERFORMANCE
JULY 12 - AUGUST 6

By Nagle Jackson
Directed by Andrew Barnicle
North Coast Repertory Theatre will conclude its 35th Season with AT THIS EVENING’S PERFORMANCE, by Nagle Jackson. Andrew Barnicle directs this uproarious comedy about a bohemian theatre troupe who find themselves performing in an Eastern European police state. However, there is more drama backstage than onstage, with romantic entanglements, political intrigue and a wildly funny climax. It’s a laugh a minute, and you’ll leave the theatre reveling in the merriment.

TUESDAY NIGHT COMICS
JULY 18 7:30PM

RATED R
The local favorite Variety Night Show, Tuesday Night Comics, returns to North Coast Repertory Theatre on July 18, 2017 at 7:30PM. San Diego Critic’s Circle, 2012 Outstanding Actor of The Year, Mark Christopher Lawrence, hosts an exciting new line up of talent from all over the country with late night television credits as well as credits from Comedy Central, HBO, SHOWTIME, etc.

Tuesday Night Comics is arguably one of the funniest nights of comedy in San Diego. Mark Christopher Lawrence shares the North Coast Rep stage with his extensive list of talented comedian friends, this show including; Bill Jubran as the Opening Act, Monique Marvez as the Headlining Act, Bijan Mostafavi as the Featured Act, and Tiffy Jane as the Musical Act.

TOMFOOLERY
AUGUST 17 - AUGUST 27

North Coast Repertory Theatre is proud to announce a new summer variety night show: Tomfoolery, a musical revue based on the music and lyrics of American mathematician, songwriter, and satirist Tom Lehrer.

The revue features four actors, a piano and 28 of Lehrer’s satirical songs, written in the 1950s and 1960s and known for their “witty naughtiness”. Based on the Tom Lehrer Songbook, it is a show like no other, written by Cameron Mackintosh and Robin Ray. Tomfoolery is one wildly wicked musical revue of novelty songs: “However biting his lyrics, he'd still leave you with a winning tune to hum.” — New York Times

THE PETER SPRAGUE TRIO
JULY 24 7:30PM

The Peter Sprague trio comes to North Coast Repertory Theatre for Monday night music, July 24 at 7:30pm. The trio explores the jazz tradition of improvisation but with a slightly different spin as they bring their jazz viewpoint to songs that resonate with the boomers.

The trio includes Tripp (Peter’s brother) on saxophone who also doubles on flute, chromatic harmonica and percussion; Leonard Paton singing up a storm all the while sitting on a cajon (percussion box); and Peter who plays a one of kind double neck guitar along with an array of special pedals on the floor that he adds in as needed. Together they travel to special aural vistas all with the spirit of FUN leading the way — the vibe is contagious, the sound pulls you in, and happily the woes of the world ease up. Listen in!

For ticket information, call the box office at 481-1055. You can order tickets by visiting northcoastrep.org.
ABOUT NORTH COAST REPERTORY THEATRE

North Coast Repertory Theatre, under the artistic leadership of David Ellenstein since 2003, is a professional Equity theatre founded in 1982 by Olive and Tom Blakistone. Currently celebrating its 35th season, North Coast Rep has received critical acclaim from media and audiences alike, and has evolved into one of the area’s leading performing arts organizations. North Coast Rep prides itself on employing most of its actors from Actors’ Equity Association for its high quality, award-winning productions, and staging works by established and emerging playwrights. Throughout its history, North Coast Rep has created a platform where artist and audience thrive through the intimacy of live theatre, recognizing the power of theatre to challenge complacency, revitalize the imagination, nurture the unexpected, and embrace the variety and diversity in our lives.

THE THEATRE SCHOOL @ NORTH COAST REP PRESENTS: SUMMER CAMP

Are you on the hunt this summer for a zoo of theatrical fun? The Theatre School @ North Coast Rep is offering three different, one-week, half-day camps for your kids to explore!

The Theatre School @ North Coast Rep offers specific workshops for all ages beginning as early as June 19th and running until August 4th. We have classes from ages 4-19. Classes are Monday - Friday 9:30am – 12:30pm for ages 4-8 and 9:30am - 3:30pm for Ages 6-19 and are located at The North Coast Rep Theatre. Early drop-off is available. Discounts available for multiple weeks or sibling enrollments!

For full camp descriptions and to register, call 858-481-1055, visit northcoastreptheatreschool.org, or email our Theatre School Director, Ben Cole.

THE THEATRE SCHOOL @ NORTH COAST REP PRESENTS: A MIDSUMMER NIGHT’S DREAM

There’s mischief in the woods! Magical fairies with love juice complicate two teen couples’ relationships in William Shakespeare’s, A Midsummer Night’s Dream, Presented by The Theatre School @ North Coast Rep. Benjamin Cole directs his theatre school students in this fun summer performance, August 2 – 6, 2017.

Performances are free, outdoors at La Colonia Community Center & Park, August 2 - 6th @ 6pm. 715 Valley Ave. Solana Beach 92075. For more information, please call 858-481-1055, visit northcoastreptheatreschool.org, or email our Theatre School Director, Ben Cole.

ABOUT THE THEATRE SCHOOL AT NORTH COAST REP

The Theatre School @ North Coast Rep encourages young minds to explore the adventures of live performance so they can further understand and appreciate it as an art form. With this foundation, we are dedicated to educating future theatre professionals in the highest standards of the most essential elements of theatre, and inspiring students to become lifelong theatre supporters. Our Theatre School offers a multi-faceted array of cultural and educational programs to students from grades K-12 throughout San Diego County to provide them with the skills and confidence they need to excel in any profession. Our vision is to offer classes, productions, workshops, and training designed to educate students, and enrich their appreciation of diverse cultural and theatrical experiences. We strive to challenge students to go beyond basic training, and take ownership of choices and personal development. We strongly support student’s freedom of expression, and inspire exploration of creative release. It is our goal to build student’s self-confidence and enhance their public-speaking skills all while having fun and expanding their awareness of the magic of live theatre.
“TRASHformations 4”
Rodney ‘Rodrigo’ McCoubrey
Exhibit Opening

When  July 8, 2017  5pm til 8pm
Where  635 S Highway 101, Solana Beach

Light refreshments will be served!
The City of Solana Beach is in the process of designing a skatepark in the northwest corner of La Colonia Park which will meet the needs of all levels of skaters in the community. Two public workshops have already been held to solicit input from the community and fund-raising efforts are also underway.

At this point, two concept designs have been developed. These concept designs can be viewed on the designer’s website or through the link located on the City’s homepage. The website with the design concepts also includes an area for comments. To meet the needs of all potential skatepark users, the City requests your input. Please review the concept designs and provide your comments so we can make this the best skatepark possible.

The City of Solana Beach is actively pursuing the construction of a Skatepark at La Colonia Park. The City Council has dedicated $300,000 to begin the process with the hope that construction can begin later this year. As part of the process, the City, along with its consultants VanDyke Landscape Architects and Site Design Group, Inc, have held public workshops to gather community input on the final design of the Skatepark. A dedicated group of community volunteers has set up a private donation fund to assist with raising money needed to complete the design and construction. The City and community group are working together to organize upcoming events to seek additional feedback from the community and to raise funds for the project. Additional fundraising is still needed before construction can begin. Approximately $158,000 needs to be raised. The City hopes to break ground some time in 2017. Contributions to the fund at CCF are tax-deductible.

To donate online: [www.coastalfoundation.org](http://www.coastalfoundation.org). Please type skatepark in the purpose line. Checks should be made payable to Coastal Community Foundation; write Solana Beach Skatepark in the memo line and mail to CCF.

If you have any questions, contact the City of Solana Beach Engineering Department at 858.720.2470.

Visit [www.sitedesigngroup.com/la-colonia](http://www.sitedesigngroup.com/la-colonia) to view the Skatepark conceptual drawings and submit your input and comments.
BOYS GIRLS CLUBS OF SAN DIEGUITO

31 COLLEGE SCHOLARSHIPS AWARDED TO LOCAL TEENS BY BOYS & GIRLS CLUB FOUNDATION

Boys & Girls Clubs of San Dieguito Foundation is proud to announce that the Leonard & Edith Polster and James & Patricia Townsend Scholarships for 2017/2018 have been awarded to 31 young people from North County. Since its formation in 1986, the scholarship program has awarded over $750,000 in financial support for over 600 youth to attend college.

SUMMER ADVENTURE CAMPS AT THE CLUB!

Create your own summer experience! We have over 100 camp options at five locations throughout Solana Beach, Carmel Valley, Del Mar, and Encinitas.

Tailor a camp schedule specifically to meet your family’s needs! We offer a wide variety of specialty and day camp options, field trips, sleepover and more! Camps for ages 5-15.

Learn more at bgcsandieguito.org/programs/camps.

SUMMER SWIM LESSONS

Jump in and learn to swim at Boys & Girls Clubs of San Dieguito Pardee Aquatics Center! Our certified and trained staff provide students with a positive learning experience as they train, improve, master proper swimming techniques, and practice safety skills.

Beginner classes focus on water safety, front/back floats, basic swimming fundamentals, and help students adjust to the water in a comfortable and safe aquatic environment. Lessons progress to more advanced classes that focus on improving all four competitive strokes, refining stroke technique, increasing swimming competency and endurance, and learning rescue skills.

Register at bgcsandieguito.org/programs/aquatics/swim-lessons.
JOIN US AT OUR YOUTH OF THE YEAR CELEBRATION FRIDAY, AUGUST 4 AT DEL MAR RACETRACK

Our Youth of the Year Celebration acknowledges teens ages 14-18 for their achievements in leadership, service, and academic excellence. They exemplify the critical impact that Boys & Girls Clubs have on the lives of young people.

Along with announcing our overall Youth of the Year, the evening also includes night horse racing, silent and live auctions, a wine wall, sit down dinner, entertainment, and dancing with a live band.

More info at bgcsandieguito.org/events/yoy-gala.
All proceeds benefit Boys & Girls Clubs of San Dieguito

HORSESHOE & CORNHOLE TOURNAMENT AT DEL MAR DOG BEACH SATURDAY, AUGUST 26

Enjoy the day at the Del Mar Dog Beach with your closest friends (and meet some new ones too!) while enjoying a friendly tournament of either horseshoes OR cornhole. Round one is the “round robin” round, where each team plays four games.

Between games, enjoy beers from our beer sponsor (TBD) and food from our food sponsor (TBD) with your feet in the sand. Bring your sunscreen and sunglasses and we will take it from there!

More info at bgcsandieguito.org/events/horseshoe-cornhole.
All proceeds benefit Boys & Girls Clubs of San Dieguito
YOUR SUMMER, NATURALLY, AT SAN ELIJO LAGOON

Is there nature in your summer? Come trailblazing in cool ocean breezes in a sunset tour, or practice yoga in the scented coastal sage scrub. Nature discovery, fitness, and culture are part of a new lineup of summer tours and events, presented by San Elijo Lagoon Conservancy.

Birds of a Feather: Rooted in Flight
- Saturday, October 7: 5:00-9:00 pm—Reserve by July 15 for Early-Bird Tickets
- San Elijo Lagoon Conservancy and our sponsors, supporters and members invite you to the signature event of our 30th Anniversary. The North County coastal celebration raises funds for conservancy actions benefiting nature and community. Meet live birds, enjoy contemporary and new age sounds, bid in the 2017 auction and live program, and sample a crafted menu of specialty cocktails, hors d’oeuvres, and gourmet dinner.
- Reserve today: SanElijo.org/BF17

Kumeyaay Sunset Tour
- Thursday, July 13: 6:30 - 8:00 pm
- As daytime heat shifts to cooler breezes, nature’s happy hour begins. With the soundscape of birdsong at day’s end, Conservancy naturalist Kathy Dickey, an expert in early Kumeyaay culture, will point out plants the Kumeyaay use. We’ll watch sunset with a taste of the Trails refreshment.
- Members $5 | Public $10

Trailside Yoga
- Saturday, August 26: 8:00 – 10:00 am
- Exhale stress. Inhale sage-scented air in a 90-minute Vinyasa flow yoga experience. Participants will also receive a vial of sage oil. Outdoor yoga will be led by guest instructor Lise Marshall, a True Nature School of Yoga graduate who specializes in restorative practices and yoga hikes.
- Members $20 | Public $30

Our Changing Climate Family Fun Days
- Sundays: July 2 and August 6: 11:30 am – 1:30 pm
- Kid-friendly and interactive experiences make learning about nature more meaningful. Our Changing Climate shines a spotlight on Wildlife Corridors in July and in Climate Solutions in August, presented by Conservancy Naturalists & County Rangers at the Nature Center.
- Free

Lagoon Discovery Tours are First/Last Saturdays, 10-11 am, at the Nature Center; Free
Calendar: SanElijo.org/Events

San Elijo Lagoon Conservancy is the community-supported nonprofit land trust for San Elijo Lagoon Ecological Reserve.
Beach and Ocean Safety Tips...

The ocean environment provides a variety of recreational opportunities for the visiting public, but it can prove to be as dangerous as it is fun and exciting. A little ocean knowledge can help reduce this danger, insuring a fun and safe beach experience. Below is a brief discussion of the hazards one is most likely to encounter on the beaches in Solana Beach, including tips on how to stay safe and avoid becoming a victim.

RIP CURRENTS: Break the Grip of the Rip!
Rip currents are the primary source of distress

80% of all rescues made at surf beaches nationwide are from rip currents.

HOW TO ESCAPE A RIP CURRENT

- Don’t fight or swim against the current
- Stay calm and swim parallel to the beach
- If you can’t escape, float or tread water
- For help, give the international distress signal of waving your hands

IF CAUGHT IN A RIP CURRENT...

TIPS BEFORE SWIMMING...

PAY ATTENTION TO YOUR SURROUNDINGS

Being aware of your surroundings is key for both on land and in the ocean waters.

Natural Environmental Hazards

- High tides often rise all the way to the bluffs, trapping people in dangerous locations.
- Be aware that at low tide there are many areas of exposed reef along the beaches.

Ocean Wildlife Threats

- Stingrays bury themselves for protection; this is when they are most hazardous.
- Jellyfish are seasonal and rare at our beaches. Their sting is much like that of a bee or wasp.
- Sharks are rare in the ocean near Solana Beach and shark attacks are even more rare.
- Common sea mammals are sea lions and bottlenose dolphins. For your safety and theirs, keep your distance.

ARE YOU PREPARED?

- Protect your face by bringing a hat, sunglasses, and umbrella.
- Bring water and stay hydrated. Dehydration is dangerous and the easiest to prevent.
- Wear proper attire, swimsuits or wetsuits (no clothes in the water).
- If you need help, wave your hands and scream.
- Always shuffle your feet to avoid stingrays.

DO’s and DON’T’s

- DO obey the lifeguards
- DO throw away your trash in trash cans
- DO watch your children
- DO fill your holes when you’re done
- DO HAVE FUN!
- DON’T run in front of lifeguard trucks
- DON’T dive head first
- DON’T bring glass or alcohol
- DON’T dig holes deeper than 12”

For more information on beach and ocean safety, visit our website at www.ci.solana-beach.ca.us
LA COLONIA RENOVATION PROJECT

In 2016, the City was approached by Mira Costa College about the possibility of a renovation at La Colonia that would create a new computer lab classroom. Specifically, this proposed renovation would meet the community’s identified need for adult education, computer, and free ESL classes. After several meetings with all the stakeholders, and the community groups that use La Colonia community center, it was decided to expand the existing conference room by eliminating storage space. This beautiful new facility was made possible by a generous grant through Mira Costa College, pro-bono services provided by McCarthy Construction and Studio E Architects, and our wonderful residents who are passionate about their community center.

A ribbon-cutting event to celebrate the completed renovation was held on Wednesday, May 24th.
Construction of Skyline Elementary School will begin on July 5, 2017 and is expected to take approximately 18 months to complete. The first phase of the construction involves demolition of the existing building, removal of on-site trees and on-site grading. Concurrently, the contractor will also be working along Lomas Santa Fe to construct a landscaped Median and underground utilities. This work will include removal and reconstruction of a portion of the sidewalk in front of the school. During this phase, the sidewalk on the north side of Lomas Santa Fe from Solana Hills Drive to Glencrest will be closed. Pedestrians will be directed to use the sidewalk on the south side of Lomas Santa Fe in this block.

After this phase is completed, the sidewalk will be reopened to pedestrians, however, construction of the on-site work will continue for several months with heavy equipment, construction traffic and delivery trucks from Lomas Santa Fe into the school site. Pedestrians and motorists are encouraged to exercise caution in this area and, if possible, pedestrians should use the sidewalk on the south side of Lomas Santa Fe.

**SOLANA BEACH DAY @ PETCO PARK**

**SUNDAY, JULY 30, PADRES VS. PIRATES 1:40 PM**

Seats are limited, so buy now. Tickets available on the Solana Beach Chamber of Commerce website [SolanaBeachChamber.com](http://SolanaBeachChamber.com).

Spend the afternoon at Petco Park with your fellow Solana Beach residents as your Padres take on the Pirates.
THE SOLANA BEACH COMMUNITY SENIOR CENTER'S

31ST ANNUAL OPEN HOUSE

Wednesday, August 23rd, 10am-1pm in Debin Hall
Solana Beach Presbyterian Church, 120 Stevens Ave., Solana Beach, 858-509-2587
