

# Business Certificate & Short Term Vacation Rental Permit Renewal Information

**The City of Solana Beach has declared a Local  
Emergency as a result of COVID-19 virus. All offices  
are closed to the public.**

**-We have not sent Business Certificate & Short Term Vacation Rental Permit (STVR) renewals out for 2020.**

**-We are currently unable to accept any renewal payments.**

**-We anticipate that the renewals will be mailed out late April/early May but due to the City of Solana Beach declaration of a Local Emergency as a result of the COVID-19 virus, an additional delay may be incurred. We will be updating the City's Website with any updates.**

**-All VALID Business Certificates & STVR permits as of December 31, 2019 are still considered valid.**

**-If you require a letter from The City of Solana Beach stating the above as proof of a valid business certificate, please email [businesscerts@cosb.org](mailto:businesscerts@cosb.org) asking for a Delayed Business Certificate Renewal Letter. Please provide your business name and business certificate number (if you have it available) in the request email. A letter will be provided to you via email within 3 business days.**

**-Please check our website under Announcements for all updates regarding the delay. [www.cityofsolanabeach.org](http://www.cityofsolanabeach.org)**

**We apologize for any inconvenience this delay may have caused you or your business,**

**-The Finance Team**
