

Permit Number: \_\_\_\_\_

CITY OF SOLANA BEACH

**Construction & Demolition Waste Management Plan**

Many of the materials generated from your project can be recycled. You are required to list materials that will be reused, recycled or disposed from your project per section 6.36 of the Solana Beach Municipal Code. If you have any questions about the City's C & D Recycling Ordinance or how to fill out this form, please call (858) 720-2470. **TO AVOID DELAYS, PLEASE FILL OUT FORM COMPLETELY.**

**THE REQUIRED GOAL IS TO REUSE OR RECYCLE AT LEAST 65% OF PROJECT WASTE**

Use **tons** to quantify total estimated waste and percentages of materials (see conversion table below).

**Please note:** You must use EDCO, Inc roll-off boxes for all construction projects within the City of Solana Beach. If, for some reason, EDCO, Inc cannot provide roll-off boxes for your construction project, you must provide verification of the reason(s) and the name of the roll-off provider. EDCO San Marcos Recycling Center can be reached at (760) 744-2700.

**A COPY OF THIS WMP AND RECEIPTS (TICKETS) FOR ALL RECYCLING AND DISPOSAL SHALL BE SUBMITTED BEFORE THE PROJECT WILL RECEIVE FINAL BUILDING APPROVAL. (FOR DEMO PERMITS, THE RECEIPTS FOR THE DEMOLITION WASTE SHOULD BE PROVIDED BEFORE THE FIRST FOOTING INSPECTION AFTER THE BUILDING PERMIT HAS BEEN ISSUED.)**

Project Name: \_\_\_\_\_

Total Estimated Waste Generated by Project: _____ (in tons). (Ask your hauler, recycler or site cleanup vendor to assist you. Use receipts from your previous jobs for estimates)						
<b>Complete and return with Building Permit Application</b>				<b>Complete and return with receipts prior to final building approval</b>		
Material Type	Estimated Reused/ Recycled	Estimated Disposed/ Landfilled	Vendor or Facility to be Used (Destination)	Actual Reused/ Recycled	Actual Disposed/ Landfilled	Vendor or Facility Used (Destination)
Asphalt & Concrete						
Bricks/Masonry/Tiles						
Building Materials (doors, windows, fixtures, etc.)						
Cardboard						
Concrete Pavement and Grindings						
Drywall (new, unpainted)						
Asphalt Pavement Grindings						
Landscape Debris (Plant & Tree Trimmings)						
Scrap Metal						
Unpainted Wood & Pallets						
Other (painted wood & drywall, roofing, etc.)						
Mixed C&D*						
Trash/Garbage						
<b>TOTAL</b>						

If you are requesting an infeasibility exemption and the estimated amount reused/recycled is less than 65%, please explain why (attach additional sheets if necessary):

Prepared by (please print): \_\_\_\_\_

Date: \_\_\_\_\_

Contractor Signature: \_\_\_\_\_

Phone Number: \_\_\_\_\_

**Conversion Rates**

\_\_\_\_\_  
\* *Mixed C&D* is defined as a mixture of three or more materials (e.g. wood, drywall, roofing, etc.) from construction or demolition sites that will be taken to a "qualified" facility for recycling (See C&D Debris Recycling Guide).

**Permit Number \_\_\_\_\_**

The following conversion rates are estimates. The ranges vary widely, depending on how the materials are handled (compacted, loose, chipped, etc.). Use the conversion factors and receipts from any previous projects to help you estimate the potential amount of materials and diversion. Take into consideration the type and load of vehicles that will be used to haul the materials. Ask your hauler or recycler to assist you in estimating these numbers.

<b>Material</b>	<b>Lbs/cy</b>	<b>Tons/cy</b>
Asphalt	1,400 lbs/cy	0.7 tons/cy
Brick	2,430 lbs/cy	1.21 tons/cy
Cardboard	100 lbs/cy	0.05 tons/cy
Concrete	2,600 lbs/cy (Sources range from 1,000 to 4,000)	1.3 tons/cy
Dirt/Soils	2,660 lbs/cy	1.33 tons/cy
Drywall	700 lbs/cy	0.35 tons/cy
Wood (chipped)	300 - 650 lbs/cy	0.15 – 0.3 tons/cy
Mixed C&D Debris	900 lbs/cy	0.45 tons/cy
Mixed Waste/Trash	100 - 350 lbs/cy	0.5 - 0.175 tons/cy

## San Marcos Facility

### Public Disposal Sites & Recycling Centers

#### EDCO Construction, Demolition and Inert (CDI) Recycling Facility San Marcos

##### Services

EDCO processes mixed construction loads of wood, concrete, asphalt and gypsum board. Solid, Special, Hazardous and Green Wastes are not accepted at the facility.

When you recycle, you're ensuring conservation of precious natural resources. Equally important, the quantities of wastes that can flow through a facility like EDCO CDI Recycling Facility are very large, with equally large impacts on the consumption of regional landfill capacity.

##### How to Dispose of CDI

1. Drive to our facility at 224 S. Las Posas Rd. ([for map and driving directions click here](#)  
<https://www.google.com/maps/place/224+S+Las+Posas+Rd,+San+Marcos,+CA+92078/@33.1415337,-117.1955923,17z/data=!4m5!3m4!1s0x80dc75411924138f:0x62d58c1dad1e732f18m2!3d33.1415292!4d-117.1934036>).
2. Drive straight back to the Recycle Center.
3. Please get out of your vehicle and see attendant at the Recycle Center for further instructions.

Current rates are posted at the facility or you can call (760) 744-2700 to inquire.

##### Carpet Recycling

According to the California Carpet Stewardship Program, more than 350 million pounds of carpet are buried in California landfills every year, where it stays for centuries without breaking down. But, there is a better way: recycling! Recycling carpet saves natural resources, conserves landfill space, and reduces dependency on fossil fuels. Old carpet can be recycled and made into useful new products like traffic signs, insulation, new carpet, and carpet padding. If you're replacing your carpet at home, here are the steps you can take to ensure your old carpet stays out of landfills and is recycled instead:

- Keep it dry.
- Keep it debris-free - Remove tack strips, nails, trash and dirt.

##### Materials Accepted and Recycled:

- Wood
- Concrete
- Drywall
- Metals
- \*Carpet (no area rugs)
- Rock
- Asphalt
- Cardboard
- Tile (concrete or porcelain)

**No hazardous or solid waste please!**

**\*Carpet cannot be commingled with any other CDI material**  
Need service? Text us now!

- Prepare carpet - Cut carpet into manageable section, separate carpet from pad and roll carpet. Roll, stack or fold carpet pad, and stack carpet tile.
- Drop off carpet (please no area rugs) for recycling (for a fee) at EDCO's CDI Recycling Facility.

### Common Questions

#### What can I bring?

Wood, metals, rock, concrete, asphalt, drywall, and cardboard. No hazardous waste, garbage, painted or treated wood or yard waste please.

#### Do I have to sort the different materials?

Absolutely not! Just bring your mixed load of CDI material only, and we'll do all the work! *\*One exception: **Carpet cannot be commingled with any other CDI material.***

#### Do I have to make an appointment?

NO. The facility is open to the public six days per week Monday – Friday 8:00 a.m. to 4:30 p.m. and on Saturdays from 8:00 a.m. to 3:00 p.m. There are no long lines and appointments are not necessary. You just show up with your mixed loads and we will do the rest of the work for you.

#### Can I get credit?

If you use our solid waste transfer station in San Diego, La Mesa, Escondido, Ramona, Fallbrook or our CDI facility in Lemon Grove, you can get credit with EDCO. Or, you may complete a credit application and we'll process it for approval – call our office for more information. Please call in advance to ensure we have you set up and eliminate time wasted dealing with it at EDCO.

### Hours of Operation

Mon-Fri 8:00a.m. to 4:00 p.m.

Sat 8:00 a.m. to 3:00 p.m.

*(Closed daily from 12:00 p.m. to 12:30 p.m.)*

Open All Holidays Until 2:00 p.m. (With The Exception of Thanksgiving Day, Christmas Day, and New Years Day: full closure)

- Drop off carpet (please no area rugs) for recycling (for a fee) at SANCO Resource Recovery.

### How to Dispose of CDI and Directions

1. Off the 94 heading East, take the Federal Blvd off-ramp and continue straight on Federal Blvd. Enter the last gate of the facility. If you're heading West on the 94, take College Avenue. Go left under the bridge and right onto Federal Blvd. EDCO/SANCO is on the FWY side of Federal Blvd between San Miguel Avenue and Central Avenue, Lemon Grove.
2. Pull into the EDCO/SANCO driveway closest to Bob Baker Toyota.
3. Drive straight onto the scale. The scale attendant will give you your full weight ticket at that time.
4. Drive into the building and follow the directions of the spotter who is there to assist you.
5. After dumping, drive out of the building and get back on the scale.
6. The scale attendant will present your ticket for payment.

Current rates are posted at the facility or you can call (619) 287-7555 to inquire.

### Common Questions
